USA Today Network Feature

One feature across 240 major US metro news titles - the strongest recognisable-logo option in the range.

WHAT YOU GET

- One article across 240 US Today news titles
- You provide the article that's later edited by the publisher
- One revision round before submission
- 4–5 branded links and 2–3 images included

WHERE IT APPEARS

The USA Today regional network, including detroitnews.com, indystar.com, tennessean.com, azcentral.com, jsonline.com, courier-journal.com, oklahoman.com and dispatch.com. Full list available here.

WHAT THIS DOES

Puts genuinely recognisable American news brands behind your name, with more links and images than any other package here.

WHAT THIS DOESN'T DO

Articles run for six months and are served to US visitors - capture your screenshots on publication day. No edits are possible once live.

Timeline: 1 week from copy approval
