# US Syndication Blast

*Your announcement syndicated across 300+ US news and business sites in under a week.*

## WHAT YOU GET

- One article syndicated to 300+ US publications
- Content written by the publisher network from your brief
- A branded link in every placement
- Live URL report in a shared sheet
- Minimum syndication guaranteed on 100 sites

## WHERE IT APPEARS

A broad US syndication network of news, business and regional outlets. Sample site list available here.

## WHAT THIS DOES

Creates enormous surface area for one consistent brand story at very low cost per placement - the groundwork layer where repetition is what registers.

## WHAT THIS DOESN'T DO

These are syndication-tier sites, not household names. Pair it with a credibility package if you need logos for your website.

**Timeline: 5–6 business days from brief approval**
